

Receipts for medical and insurance claims

At Apple Tree Pharmacy, we want to clarify our policy regarding receipts for services rendered and insurance reimbursement:

We provide till receipts for all services. However, for customers who require a more detailed receipt, we offer this service for a nominal administration fee of £10.

Please note that Apple Tree Pharmacy is not affiliated with any medical insurance companies. As such, we cannot guarantee reimbursement from your insurance provider for services received at our pharmacy. We recommend contacting your insurance supplier directly to enquire about their reimbursement policies and procedures.

Thank you

Apple Tree Pharmacy
